Jolly Phonics CONFERENCE

At Jolly Phonics Conference 2022 we will
... meet and learn from professionals,
... learn how to use Jolly Phonics and Jolly Grammar in an ESL
environment from experienced trainers,
... see how to use the resources and be inspired by new ones,
... experience the connection, sharing and collaboration.

Together we are stronger!

TASTE

Join and benefit from this International community of Jolly authors, trainers, teachers, school directors, students who are coming to the conference. Become part of a unique and growing support network of colleagues with a shared purpose. We all want our children achieve their potential for a brighter future.

LEARN

This is the time and opportunity when you can grow from wisdom of those who did it before you. They all have decided to share their time, energy, collective knowledge and experience how to teach Jolly Phonics and Jolly Grammar and use their resources.

SHARE

Be ready to engage, learn and grow actively. The whole program provides practical ideas and extended resources that you can try straight away in the classroom. We work together for collective interests and share results of work with others in the community.

Meet the Speakers

Sue Lloyd

As one of the authors of Jolly Phonics, Sue will be explaining segmenting and blending techniques that will explain strategies for using letter sounds and graphemes. Additionally, Sue will offer advice on how to move on to more complex blending and pace and sequence.

Dina will show how she successfully uses cross curricular ways for children to use a multisensory approach to using their letter sound and letter shape knowledge. We will see the transfer of knowledge from the Jolly Phonics program to other areas of learning such as play, arts and crafts and moving onto more complex concepts such as digraphs.

Dina Restuani

Meliha Chausheva

Multisensory teaching is a great way for children to learn and Melly will be explaining how she combines the elements of the Jolly Phonics program with a interactive approach for young learners.

The pupil books and resources provide many opportunities for extension ideas and we will be looking how you can use these to support children's learning, assessment and evaluation. Also, we will see how this can be done using the Jolly Grammar resources in the second part of the Conference.

Yvonne Dalorto

Diego Zaffaroni

Emerging reading can be a challenging area for young learners making the transitions to lower primary. Diego will be talking about decodable readers and how we can use them to engage children and support phonics.

Jolly Plays is a wonderful collection of drama opportunities for children and Clare will be explaining how the collection of plays can be a wonderful way to help children revise and extend their synthetic phonics, language and grammar skills.

Clare Fulton

Meet the Speakers

Sara Wernham

This is an opportunity to see Jolly Phonics authors. Sara Wernham will be sharing valuable tips about using the Jolly Grammar resources and how they continue on from Jolly Phonics. She will also talk about the value of continuing the systematic approach to continue and extend children knowledge.

As a teacher, academy owner and an education consultant, Jay has been using Jolly Phonics and Jolly Grammar for many years with a range of ages. He will be demonstrating how he builds the foundation for Jolly Phonics and engages children with a range of delivery styles.

Jay Richardson

Santina Di Mauro

Santina will be exploring the 5 core skills with examples and stranguries regarding materials and method. It will be an opportunity to see how she uses the resources and listen to tips and advice using Jolly Grammar.

THE MINISTRY OF EDUCATION, SCIENCE, RESEARCH AND
SPORTS OF THE SLOVAK REPUBLIC
APPROVES THE RESULT OF THE EXPERIMENTAL VERIFICATION AND
AGREES TO THE USE OF THE JOLLY PHONICS METHOD.

Experimental verification of
Effectiveness of Jolly Phonics
Teaching Method in Primary
Education was carried out in the
years 2017 to 2021 in
cooperation with the guarantor
of the State Pedagogical Institute,
Bratislava (Štátny pedagogický
ústav) in 46 selected primary
schools in the Slovak Republic.

**Jolly
Phonics**

Throughout a period of four years, we
have been able to work together to
increase the educational outcomes of
pupils in English in primary education
through the training of teachers using
the Jolly Phonics method and the
provision of modern educational
textbooks and aids. Despite the
changing conditions related to the
COVID-19 pandemic, we had the
opportunity to gain experience in
applying the method in present as well
as in online education.

Achievements

Didactic materials for the Jolly
Phonics method are included in the
list of recommended textbooks, for
the purchase of which the Ministry
of Education of the Slovak Republic
provides financial resources
